Experience

Liability Claims Representative I Enterprise Holdings 3/15 - 1/16

- Investigated, identified and prevented a fraudulent \$25,000 claim.
- Evaluated over 25 claims per day and analyzed medical, police and repair estimates.
- Negotiated coverage, liability and accident settlements ranging from \$250 - \$50,000.
- Assessed and evaluated injuries, medical treatment and property damage.
- Handled over 100 cases at a time while receiving 3 new cases per day.

Management Training I Enterprise Holdings 12/13 - 3/15

- Served over 50 customers per day while maintaining a 90% ESQI score.
- Produced over \$1000 in upgrades a week totaling over \$30,000 in additional revenue.
- Maximized revenue of over 350 vehicles by optimizing repairs, upkeep and turnover.
- Achieved and maintained the least amount of customer defaults per week.

Physician Recruiter I Hayes Locums 3/13 - 11/13

- Maintained 100% client satisfaction while executing over 10 interviews per day.
- Consistently lead team with highest call volume, achieving over \$9,000 in commissions.
- Performed background checks and interviews while serving over 20 hospitals per day.
- Generated \$50,000 in revenue by screening and placing a solid roster of physicians.

Sales Manager I Safe Streets USA 10/12 - 2/13

- Engaged over 80 residential clients per day regarding contracts with ADT hardware.
- Served as a contractor coordinator and customer liaison for over 100 accounts.
- Hired, trained and managed the entire Safe Streets sales team.
